Škaloud, P., Charles University Prague, Czech Republic

Sluiman, H., Royal botanic Garden Edinburgh, U.K.

Taxböck, L., University of Zurich, Switzerland

Van de Vijver, B., National Botanical Garden, Belgium

Varnormelinger, P., Gent University, Belgium

Vymazal, J., Praha, Czech Republic

Corrections of Latin diagnoses: Marvan, P. (diatoms), Görtner, G. (green algae)

Statistic: Neustupa, J. (Charles University Prague), Duchoslav, M. (Palacký University Olomouc)

We would like to express our special thanks to Bart van de Vijver for diverse help and advice during preparation of special diatom issue 9/2 and to all authors participating in this issue dedicated to RNDr. Petr Marvan, CSc. our colleague, teacher, paragon and friend.

With thanks

Alka Pouličková & Petr Hašler

Petr Marvan and colleagues from Slovakia, 80's birthday, photo archiv.
